

Thank you for agreeing to try our new

"Facial in a Bag" Program!

So let's get started!

- **Cleanser**—Apply 1/2 the packet of **TimeWise® 3-In-1 Cleanser** (save the rest for another use) to a wet face and neck. Remove with a wet cloth.
- **Microdermabrasion**—Splash water on 1/2 of your face. Using the **Step 1 Refine** packet, massage the contents on 1/2 of your face, (we'll call this side your "pampered side") making sure your face is wet as you massage. Massage for 1 minute and rinse. Pat dry.
- Follow with **Step 2 Replenish** on the same side of your face. By doing 1/2 of your face, you can compare and see results.
- Now apply **TimeWise Night Solution** on the "pampered side" of your face. Let it dry. Follow with **TimeWise Day Solution** on the pampered side. Normally you would only use Day Solution in the morning and Night Solution at night.
