## "Facial in a Bag" Program!

So let's get started!

- **Cleanser**—Apply 1/2 the packet of **TimeWise® 3-In-1 Cleanser** (save the rest for another use) to a wet face and neck. Add extra water to enhance lather. Remove with a warm, wet cloth.
- **Microdermabrasion**—Splash water on 1/2 of your face. Using the **Step 1 Refine** packet, massage the contents on 1/2 of your face. (we'll call this side your "pampered side") making sure your face is wet as you massage. Massage for 1 minute and rinse. Pat dry.
- Follow with **Step 2 Replenish** on the same side of your face. By doing 1/2 of your face, you can compare and see results.
- Now apply **TimeWise Night Solution** on the "pampered side" of your face. Let it dry. Follow with **TimeWise Day Solution** on the pampered side, right on top of Night Solution. Normally you would only use Day Solution in the morning and Night Solution at night.

- **Moisturize**—Using the packet of **TimeWise Age-Fighting Moisturizer**, squeeze 1/2 the contents onto your fingertips and apply to both sides of your face and throat.
- **Eye Cream**—Apply the sample of **Firming Eye Cream** to the eye on the pampered side. Gently apply it around the eye area.

On the "pampered side" you have the complete **Ultimate Miracle Set**. On the other side you have the **TimeWise Basic Set**. Can you feel the difference in the two sides of your face?

Don't you love the way your face feels after using **Mary Kay's Ultimate Miracle Set**? These products are formulated to give you the healthier, younger-looking skin we all want.

If you try these products and call me within **2 days** of receiving this package to give me your opinion of these products, you'll receive a **\$10 coupon** for Mary Kay products.

Thank you for trying our Facial in a Bag.
