

## Elaine's Future Star Cruisers Unit Mission Statement

We strive to uphold Mary Kay's Go-Give and Golden Rule philosophy as we reach out to the many women God places in our path daily, by sharing our product and our opportunity freely!

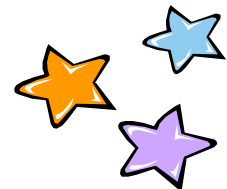

Knowing that fear disappears by doing, we commit to personal growth by stretching beyond what is comfortable, as we long to facilitate "bringing out the best in others".

We acknowledge that knowing comes from doing, and that we are a part of a company and unit that stands for excellence! Therefore, we commit to doing our very best each day and in each situation.

Each of us makes a big difference in the lives we touch, and **TOGETHER** we make a huge impact! We are a part of a yearly unit club, made up of Consultants, Senior Consultants, Red Jackets, Team Leaders and Future Directors!

**Teamwork makes our dreams work!**
