

Ellyn Hembd Recruiting Interview Request

To:
Subject: help??

Hey there _____!

Hope your week has been going well! I can hardly believe it is the weekend already!!
(Write in a few sentences that make this note personal and do NOT send it out in a mass email....be sure to email individually!!)

I just wanted to send you a quick note to see if you would be willing to help me out with something!

My director has challenged me to an interview challenge for the month of August. All I need is for 10 people to get on the phone with my director and I and listen to the Mary Kay opportunity information (takes about 20-25 minutes). If I complete the challenge, I win a BEAUTIFUL ring!!! (And if you know me at all, you know I LOVE jewelry!!) For you, I would have a free product gift, just for helping me out!! My way of saying "Thanks!!"

You, by all means, do not have to be interested in the company...just have to be willing to listen to the info! Could you help me out with that?? I've got less than two weeks to wrap up this challenge....and I know I can do it! Let me know if you'd be willing to help me out, okay!!

Thank you SO much!! Hope to hear back from you soon!!

Love,
Michelle
