

Plan Your Work and Then Work Your Plan

So you work another J.O.B. (commonly referred as the Journey of the Broke) that you hate? Not being paid enough to cover the bills or the extras?

Want to work your Mary Kay business part-time or full-time but you just can't seem to get everything done?

Don't know where to start?

You start with becoming a *Master* at organizing your time. Plan this next month to follow the suggestion below and you will see an enormous increase in your business!
